Right There In The Mix

The forecast wasn't flash for the weekend and they were right, wet and windy for Bowls North Harbour's 2-4-2 Mixed Pairs. Saturday's section and post section games cut down to eight ends due to the weather. In section play the outstanding achievement must go to second year players Jerry and Jacqui Belcher beating eventual section winners Brent and Rona Turner by one shot.

Of the Birkenhead players to emerge from section play where Trish Croot and Tony Grantham, Daymon Pierson and Browns Bay's Christine Dalzell, Connie Mathieson and Takapuna's Murray Mathieson. Pierson and Daizell went out the first round of post section on Saturday while Croot and Grantham beat Sunnybrae's Paul Freeth and Dee Thoreau-Freeth to make the last eight on Sunday morning. The Mathieson's won their section and got the bye into the last eight.

On the greens at Manly Sunday started much the same as Saturday ended weather wise but improved throughout the day. The remaining post section games were cut to eight ends with the final to be twelve ends. Croot and Grantham up against Lindsay Gilmore and I.Donaldson while the Mathieson and Mathieson took on Wayne Glososki and G. Hutchison.

Croot and Grantham's first scalp was that of Gilmore with an impressive 18-1 win. While Mathieson and Mathieson moved past Glososki and Hutchinson with a win.

Croot and Grantham up against Mathieson and Mathieson in the semi. With Croot and Grantham knocking Mathieson and Mathieson out of the completion with a decisive 15-0 win, with an end to spare, and securing a final spot. Browns Bay's Colin Rogan and Manly's Judith Seager, had come through on the bottom side of the draw and secured a final spot beating Neil Fisher and Lisa Parlane in a close semi.

The rain cleared for the final but the wind remained. First end Croot and Grantham scored 2, next end Rogan and Seager scored a 1 then a 2 on the next end. They got out to an 8-2 lead, before Croot and Grantham scored the next four ends to claw their way back to eight all after the ninth end. Croot and Grantham holding two shots on the tenth end, Seager played a screamer to hit the bowl square and take Croot and Grantham's two bowls off and sit on the kitty and hold three. It happened again on the eleventh end, Croot with a shot sitting on the kitty, Seager played a weighted shot to push Croot's through for Rogan and Seager to score and they scored on the last end as well. Final score 15-8 at the conclusion of twelve ends to Rogan and Seager and along with the win, the Bowls North Harbour 2-4-2 Mixed Pairs title and a place booked in the New Zealand final in Dunedin early March 2017.

Birkenhead Licencing Trust Vote

It's the local body election time and your votes are required!! The current trustees of the Birkenhead Licencing Trust are all standing for re-election and would appreciate our support.

The Birkenhead Licencing Trust has supported many groups in our community and without the support of the trust and these trustees, many would have missed out on valuable funding. The Birkenhead Bowling Club has been one of those the Trust has supported. The club has enjoyed a long relationship with the Licencing Trust and been the recipient of a number of grants over successive years. The funding has assisted the club to where it stands today in the community, not only a bowling club but a facility available for use by our community.

The current trustees are:

- Bill Plunket
- Shane Prince
- Stuart Weir
- Paula Gillon
- Marilyn Nicholls
- Scott Espie

These trustees all enjoy serving our community and your vote for them would be very much appreciated.

If you have any questions for the trustees you can call Shane on 0274 964176.

16 September - 8 October Voting period (includes Special Voting)
8 October - Election day - voting closes 12 noon, Preliminary results announced

Spotlight on Sponsors

This week we put the spotlight on "The Birkenhead Licencing Trust". Although not a sponsor, but with the Trust's support over the years the club has benefited from many grants.

Source <http://www.birkenheadlicensingtrust.org.nz>

The Trust is a net proceeds-committee of the Lion Foundation and is responsible for approving grant funding to the local community groups in Birkenhead and surrounding areas from gaming funds generated by Lion Foundation.

The Birkenhead Licencing Trust was established in 1967 after voters decided that the Birkenhead Council area should change from 'dry' to 'wet' under the control of a licencing trust.

In 1970 the Birkenhead Trust Hotel was opened, with catering facilities designed to cater for all locals.

A period of expansion was followed by the economic slump of the late 1980s, the recipe for a loss-making enterprise. In 1992 the trust hotel complex was sold and only the wholesale outlet retained.

The Birkenhead Licencing Trust then sat for a number of years, accumulating revenue through the wholesale outlet and distributing interest accrued to local community groups. Meanwhile local licencing reins were loosened, allowing other operators to apply for li-censes.

In the interim the Trust sought other suitable sites. In 2002 the Slipp Inn Pub had been opened by Allen Vaughan, who had a long history with Lion Breweries. In 2006 the Trust approached Mr Vaughan with an offer to buy the Slipp Inn, as it seemed a good fit for several reasons: the Trust is a net-proceeds committee of the Lion Foundation; grant funding to the local community comes from funds generated by Lion Foundation; the Trust was already the pub's landlord; the pub fitted the family-friendly ideal of the Trust; and the gambling facility was a source of revenue. The Pub recently undertook extensive renovations and was reborn as "The Good Home Birkenhead"

But, you ask, what is the difference between a Trust operation and a private or brewery-owned enterprise? Well, all profits from bar and restaurant sales and gaming proceeds are distributed in the local community through the Lion Foundation, rather than going into a big national pool for distribution nationally.

As Mr Vaughan points out, "The Trust does a lot of good in the community, it is not self-rewarding or ruled by self-interest, there are no paid directorships, and all six trustees are chosen by the electorate in the local body elections. As a result close to \$1 million annually has gone back into the community in recent years."

The Trust also owns the Glenfield pub Inn Field; revenues go back into the Birkenhead, Glenfield and Northcote areas from both establishments.
