Not So Quite

Neither the Winning Post Lounge or Stue's Punters Bar got off the ground this Melbourne Cup Day but that didn't deturb fifty odd punters yesterday enjoying the Cup at the Club. Some brought nibbles along for the occasion while the Club put on the champagne. It may not have been as full as other years but it certainly was a good time had by all.

Digital / Laser Measuring Device Use

Received from Chris Lander, General Manager – Clubs & Community, Bowls New Zealand (30/10/20)

Many of you will be aware of the arrival of various laser / digital measuring devices onto the market in recent times. We wish to clarify our position on the use of these measuring devices for the benefit of all players; as follows.....

Bowls New Zealand is supportive of the use of these new digital measures for use by bowlers (we think that a reduction of the need to crawl around on ones hands and knees can't be a bad thing!), however they will not be used by umpires at events. Therefore, until any advice to the contrary is provided, Bowls New Zealand Umpires Association umpires will continue to use the traditional tape measure and other measuring equipment as the official tool for measuring bowls distances during official tournaments / events.

Bowlers can therefore use (**after the last bowl of an End has been played ONLY**):

- Eyes (free)
- Overlapped / crossed fingers (also free)
- Traditional tape measure (around \$60)
- Digital measure (around \$150) – e.g. Hunter Bowls
- Bowls App (from around \$10) – e.g. Bowlometer

(n.b. To allow the use of a Bowls App such as Bowlometer, the use of a mobile phone or tablet type device is permitted on the green, provided it is not used for communications such as talking / texting / emailing at any time during the game.)

Please share this information with your membership so that they are aware of their options and, importantly, aware that players they are sharing the green with may employ one or more of these new measuring devices.

Continuous Christmas Ham Raffles

We run continuous Christmas ham raffles at the bar until Wednesday 16 December. Two dollars per number, per raffle. Each raffle is drawn the Friday after it is sold out. Drawn during the club membership draw time slot. Winning raffles may be collected after 5pm Wednesday 16 December from Birkenhead Bowling Club.

Margaret Malcolm : Hall of Fame

Margaret Malcolm is the mother of Northcote Bowling Club's Brent Malcom. Reproduced from Bowls New Zealand's website

Margaret Malcolm has been inducted into the Bowls New Zealand Hall of Fame. She joined 40 or so other Kiwi lawn bowls legends ... the likes of Brassey, Skoglund and Belliss, ... and Wilkie, Castle and Khan ... in receiving the ultimate accolade that the New Zealand bowls community can bestow.

"When I rang her up to tell her about the news," says Bowls New Zealand Vice President, Jan Tucker, "Her husband, Bruce, answered the phone. There was stunned silence at the other end. And when he told Margaret, she wept. They were both so overwhelmed." Jan's known Margaret for over 30 years. "She's an institution at the Port Chalmers Bowling Club, where's she's played for nearly 40 years," says Jan. "In fact she's an institution in Port Chalmers itself. She was born here. She's been involved in rugby here, basketball here, cricket here, and of course bowls here."

"Her husband Bruce is also an institution in Port Chalmers. Yet somehow they've both managed to find the time to bring up five children 'in Port'."

Margaret's done just about anything and everything at the Port Chalmers Bowling Club. Not to mention anything and everything for the Otago Women's Bowling Association (and Bowls Dunedin after amalgamation). Margaret has also done a heck of a lot at national level.

"It would be hard to find anyone who's given more service to the game of lawn bowls," adds Jan. "and been still able to play a very sharp game of bowls at the same time."

Margaret has 40 club titles to her name. She's nabbed 11 Centre titles. And although a National title has eluded her, she played in the Four that were runners-up in 2004.

It was both these contributions to the game ... her contribution as an outstanding administrator coupled with her contribution as a bowls athlete that made her a candidate for the Hall of Fame.

The Bowls New Zealand Hall of Fame doesn't only induct the best of the best of our lawn bowls athletes, but the best of the best of those who have contributed to the game generally. "I don't know Margaret personally," observed Bowls New Zealand Chief Executive, Mark Cameron, "But I've heard much about Margaret's contribution to the game. Her induction is well-deserved."

Mark Cameron joined Bowls New Zealand President Mark O'Connor, Vice-President Jan Tucker, Dunedin City Council Mayor Aaron Hawkins, Ward Councillor Steve Waller and more than 50 players past and present at the Port Chalmers Bowling Club last week in a ceremony inducting Margaret into the Hall.

Margaret's no stranger to being feted for her achievements – in 2004 she received the Order of New Zealand Medal for her services to bowls and back in 1990 the Otago Rugby Football Union made her "Woman of the Year".

"For me, Margaret's most remarkable achievement was the work she did before, during and after amalgamation in 1996," says Jan. "It seems difficult to imagine looking back now, but they were turbulent years ... there was a lot of very strong opinion from both men and women, both supporting and opposing amalgamation. Margaret did a lot of work settling both men and women down, and getting them to work together."

"Along with other women in the Centre like Margaret Grubb and Donella O'Dea, she helped break down what was a pretty fuddy-duddy game at the time with all its rules and regulations."

These days, Margaret's health isn't the best. She's had to give up the game she's enjoyed playing and administering for years. "But it still doesn't stop her dropping into the Port Bowling Club occasionally and watching the bowls," says Club Secretary Alan Wise. "I've been at the club for 12 years, but Margaret seems to have been around forever."

"It was a privilege to be at her induction," says President Mark O'Connor. "and to have had the ceremony at the Port Chalmers Bowling Club."

"Port Chalmers may be renowned for the first refrigerated export of meat on the ship 'Dunedin', and the base for Robert Falcon Scott's and Ernest Shackleton's explorations of Antarctica, but it can now add Margaret to its fame." Well done Margaret.

Margaret Malcolm inducted in to the Bowls New Zealand Hall of Fame.

Handicap Singles & Pairs Quarter Finals

Games to be completed/resulted by Friday 13 November

The Dog House

Our irregular columnist Mike Cartwright putting one mans perspective on the sport of bowls. Now I was very fortunate this week that the Birkenhead Bowling selectors took pity on my pathetic performance in the singles and decided to give me a chance in the premier penants team. God knows why but it might have had something to do with the money they are paying me to play. Now you might think that it's not kosher in an amateur game to pay to play but ,if you want to win anything you have to stack your team... well that's what the people doing the stacking will tell you. I agreed to play for a free Guinness and one of my team had to polish my balls. The selectors agreed but said that John Hindmarch would only agree to polish my bowls.

And so it was, squeezed between Peter Nathan and John Hindmarch, a horrible thought I know but at least we were the top triples team in the squad.. I was fortunate that we were playing at my old stomping ground of Brown's Bay and had drawn Northcote and two Takapuna sides on the first day. Now back in the day when bowls was played by amateurs Takapuna struggled to put out two teams with most members being retired accountants who struggled to lift their wallets, never mind a bowl. Nowadays though, the power of the dollar talks, and they have more stacks in their teams than a car load of Big Macs.

Saturday came around and off I trekked to Brown's Bay Bowling club, the place where it all started for me and where its club captain, George Martell shoved a size 5 Hensilite in my hand and said go as wide as you can..... words that I have uttered to a number of girlfriends over the years. Now walking into Brown's Bay club rooms is a bit like walking through Bangkok and trying to work out whether the person standing in doorway is going to fulfill your fantasies or you are going to fulfill his. You can't work out whether it a bowls club, a snooker hall or an old war veterans home, its certainly moved on from the days when woman weren't allowed passed the front door, but, only just !!

Our first game against Northcote was a good opener for us because when you play Northcote you just have to buy them a beer and they will throw the game for you. And so it happened three wins from three. An so it was that we set our sights on Ronald McDonald's boys. It wasn't a pretty sight playing these lads and by the end of the three games I wish I'd taken a large jar of Vaseline to make the shafting that we received a lot easier to take. We weren't that bad and we had our chances but I think old Ronald McDonald had held back a couple of hash browns in their breakfast which made them a bit more hungrier than we were. Our third and last game was against the original accountants of Takapuna but it got abandoned as the weather man decided he'd had enough punishment for the day and filling the dams in West Auckland was a lot more important than watching me try to find a line that I couldn't see.

On Sunday we made the trek to Mairangi Bay to continue my punishment. My performance the previous day had not gone unnoticed and I was told that I had been swapped over because they wanted to have me skipped by someone who could give directions to the blind. We won our first two games against Hobsonville and Browns Bay but my teammates had to perform like a couple of Sherpas. and carry me for 5 hours. Out last game against Orewa was no better for me as I played like a first year and despite crawling back from 9-0 down to lead by 4 I spent the last few ends beating myself up like some sort of masochist and wishing the "Right for life choice" was made a year ago so I could dig a hole and bury myself in it. I sloped off from the club like a little schoolboy who had just embarrassed himself by getting over excited feeling up his first girlfriend. It was a sad day but as someone said to me "It happens to all of us.....suck it up and move on" I just hope the selectors are suffering from Alzheimer's. Until next week....

26 Not Bad

This coming season we see what was previously known as "YOU Travel Birkenhead Social Bowls" have a slight rebranding to "YOU Travel Birkenhead Twilight Social Bowls3Five". It is still Social Bowls as has been successfully run on a Monday evening over the past 16 or so years. The one change is that the time limit has gone and each game is 5 ends, but we retain the 3 games per evening. Monday saw 26 teams take to the greens in pursuit of a good time..... prizes and a meal come in second.

A few new teams post-Christmas with Nikki from Bowls New Zealand bringing along three teams. Nikki's "Bowled & the Beautiful" complete novice ended the evening undefeated with three draws!. Club Partner Barfoot and Thompson after an absence the previous season are again out on the greens with Shelley steering the team. Social Bowls3Five partner YOU Travel Birkenhead's Caroline isn't travelling lightly with her son and Birkenhead's Merv "the Swerve", but was unable to make the opening evening.

Monday and Mother Nature had put on a splendid day, but dead on 6pm she changed her mind and rained on us delaying the start by 25 minutes. With play eventually under way it was all on and what an evening it turned out to be with prizes shared around and big smiles on faces. Lack of daylight caught us out with having to reduce the last game from five ends to four.

The lack of light definitely caught Tommy out as he filled in his card after the last game with a "Win", five ends won (it was only a four end game!), two points for and four points against!.... needless to say Hospice will be grateful for his gold coin donation.

After three games the evening's honours went to:

First: Bowling Stones - Kaye, Robyn, Ian – 3 Wins, 9 ends won

Second: Drop Kicks – Cheryl, Jimmy, Peter – 3 Wins, 8 ends won

Third: Bowls Deep – Sarah, Josh, Andy – 2 Wins, 1 Draw, 8 ends won

Consolation (won the last game/most ends): Orchards – Helen, Garry, Dave

These evening don't happen without the Club's band of volunteers each Monday evening, Barry and Mike setting up the green, John collecting the fees, Bernie and Stuie in the kitchen, Emmie and Dougie on the bar, Merv, Fay and Debbie looking after raffles and Evan for all the work behind the scenes to firstly get the teams and then run the evenings. The next "YOU Travel Birkenhead Twilight Social Bowls3Five" is 6pm Monday 9 November. If you missed last Monday's evening and are keen to join us Monday evenings phone Evan, 021 057-5491.

Spotlight on Club Partners

This week we put the spotlight on YOU Travel Birkenhead a long time supporter of the Club and in recent years our Monday Social Bowls partner. Covid continues to disrupt business and our Club Partners / sponsors aren't immune from it. This has been horrendous for the travel industry, and in particular for our friends and long time Club supporters, Caroline at YOU Travel Birkenhead is having to hunker down! The travel industry has taken a king hit and had to reevaluate how it operates to survive. Here is our chance to give something back.

Many have seen the shop has been vacated in Birkenhead Ave. That doesn't mean they have gone. Caroline has given up the lease on the shop and is now working remotely for the foreseeable future. It's still business as usual just won't have a retail space for a while. What this means for you is that when you want to catch up with the girls or they need to see you then they'll come to you! They'll meet at a suitable location and even shout you a coffee - or a tea!

The shop phone number now goes straight through to Caroline and email address is the same.

They are really looking forward to helping your new "normal" include travelling again.

Caroline Edwards - Managing Director YOU Travel Birkenhead Aviation Tourism & Travel Training Organisation Level 4 Qualified / MNZITT

With over 30 years in the travel industry both in England & New Zealand Caroline has been very lucky to travel to many amazing and exotic destinations around the world experiencing many cultures and cuisines.

Caroline loves the romance and excitement of planning and coordinating weddings and honeymoons - so much so that she planned my own wedding on Muri Beach in Rarotonga. Caroline has 2 children which has seen my requirements and style of travel change over the last 12 years. She loves researching for the perfect family holiday and discovering new destinations that cater for the whole family.

Through her experiences has picked up a lot of practical tips - where to sit on the plane, local child care, baby gear hire so you don't have to cart yours overseas and of course the best family restaurants - all the things that will make your ultimate family escape!

Travel is all about experiences and creating lasting memories. This starts from the moment you walk into YOU Travel Birkenhead and I look forward to the excitement of helping you create these memories.

Destinations Caroline has visited: Malaysia, Bali, Borneo, Singapore, Hong Kong, China, Australia, Fiji, Rarotonga & Aitutaki, Vanuatu, New Caledonia, Samoa, Tahiti, USA including Hawaii, Mexico, South Africa, United Kingdom, France, Germany, Austria, Switzerland, Italy, Greek Islands, Turkey & Egypt.

Cruising: Caroline is a fully accredited member of CLIA - **Cruise Lines International Association Australasia**. Holland America Line, Princess Cruises, Oceania P&O, Carnival, Celebrity, Cunard Line & Murray Princess.
