Fill Your Trailers, But Only If

We have a huge pile of free fill available from the Club, but due to the fruit fly risk it is not to be transported outside of the fruit fly controlled zone. It is from off the top green and can be uploaded from Club's carpark, help yourself. Back up and fill up, before the kids throw it all over the carpark.

Note: it is illegal to take the turf outside of the fruit fly controlled zone.

Pt Chev / Birkenhead Friendship Shield

Come and join us for an afternoon of pool, darts, indoor bowls and comradery with our friends from Pt Chev Bowling Club. They were to host Birkenhead this Saturday, but due to the league test this has been postponed and a new date will be announced later. Birkenhead hosts the so called "return leg" on Saturday 20 July at Birkenhead.

If you're keen put your name down on the list under the racing screens. Any questions direct them to John Hindmarch.

BoM New Faces

Birkenhead's AGM 2019 was held last Sunday with three new faces elected to the board. Those leaving the board and thank you Mavis Smith for looking after the Club's purse strings this past three years, John Hindmarch for his input as Vice President and Tommy Winton an asset on the Board.

John Croy retains the bowling reins of President for a third term. While Terry Moverley returns for a sixth term as Secretary. Social member Elaine Utting QSM, a retired accountant, comes on board in the position of Treasurer.

The position of Vice President went to an election between Board of Management new comers Joseph Korkis and Randall Watkins, with Randall Watkins being successful. Joseph Korkis subsequently took up a position on the Board joining incumbents Keith Burgess, Jimmy Heath, Evan Thomas and Merv Garred all returning.

The Board of Management has co-opted Emmie Swart back onto the Board and into the position of Chairperson, effective from the Board meeting held immediately after the AGM for a term until the closing of the AGM 2020. Emmie was looking at another organisation outside of the Club but has since had a change of mind.

There are a number of other positions on various committees that need to be filled to assist with the continued smooth running of the club. If you can assist put your name on the board in the club or talk to a member of the Board of Management about how you can help out.

Let us introduce your Board of Management for 2019-20

Best Money Spent

Green stripped of its surface, holes in the ceiling, TV remotes and stereo disappeared. These would usually be a sign of vandalism and theft in the Club, but that's not the case. Thanks to the generosity of the Birkenhead Licencing Trust we have been fortunate to have secured funding in excess of \$60,000. This covers our Green Keepers wages, a new spray unit, resurfacing the top green, replacing the plinths around the top green and the installation of a much needed integrated AV system, all purposes applied for.

The top green has been stripped, laser levelled in preparation for the Maniototo seed to be added when it becomes available. Work on the replacing the plinths starts this week. The AV system was physically installed last week and we are currently tweaking the software and educating members in its use. The remotes have been replaced by a number of Ipads around the Club with various pre-programmed scenarios installed to make use simpler. The Quiz Night last week was the first to benefit from the improved audio and visual now available in the Club. The AGM last Sunday showed off a few more of the features now available to all that use our Club, certainly not a waste of money, an investment in the Club's future. The Club thanks the Birkenhead Licencing Trust for this funding and the continued support in the Club's future.

Fulfilling the Vision

Tommy Winton may not be on the Board this year but he is still toiling away in the background. He is currently on a mission to fulfil the final stage of the late Rod Mahon's vision, update/modernise the Club's bar area including additional service areas, tills and eftpos facilities.

A few years back the Board commissioned a set of working drawings for a new layout to the bar area with the intention of making better use of the area space. It is impossible to get funding through our traditional funding avenues for alterations to the bar area. The Club must come up with the funds ourselves.

Currently we are held back from getting on with the job by the positioning of the sink, glass washer and the wall they're up against. The plan is to move the wall out, create a new bar area entrance and provide a separate window for the coffee machine to utilise. Doing this will also allow us to start tackling other improvements and transform the bar from the dated and tied area that it is and bring it up to the same spec as the rest of the Club.

Tommy put forward at the AGM the idea of funding the addition from money donated by members. Some members got excited and lost sight of Tommy's intention, but others have privately expressed their approval. The target is set at \$10,000 and Tommy kicked it off with a donation of \$1000. This was followed up after the AGM with another member donating \$1000. Any size donation is welcome, \$20, \$50, \$100, it all adds up. Those that donate \$1000 or more will have their name incorporated in the addition. If the project doesn't proceed all will be returned.

Let's start on updating our bar area. Donations/pledges may be lodge with Tommy Winton, Emmie Swart or our new Treasurer Elaine Utting.

It's coming!!!
